Hey, have you been drinking milk?
Uhh... no. Why?
You've got a little bit on your nose.

This thing?
It's not milk. It's just a birthmark.
Oh.
I see.

Well would you mind wiping it off? It's really bothering me.
I said it's not milk, bro. It's a part of my face.

Here, I'll just go ahead and get it for you.
What?
Hold still for a sec.
No!

Are you deaf?! Are you an idiot?! It doesn't wipe off!!
I'M JUST TRYING TO HELP YOU!
Dude!!!
